

You've hit the big
time now, and the
world is looking up
to you

Now there is finally
Someone to love me

I went for a drive
to clear my mind

She woke up
fightin mad

We'll make a lovely
dress for Cinderelly

All that's left of
me is beating this
guitar

I won
a hundred bucks
on a scratch off
ticket

In a prince's arms
I've found a love I
can't deny

I got a twelfth
floor room with a
killer view

Look, I'm human
now

At midnight she ran
off in such a whirl

I was down on
one knee with a
ring in hand

Poor Princey isn't
feeling well

Me and my
buddies went
sneaking out
about 2:00 AM
