

Table 3.2  
**Examples of Secondary Consequences of Obsessional Doubts**

Dimension	Obsessional Doubts	Secondary Consequences
<b>Disturbing Thoughts</b>	<i>I might be a pervert.</i> <i>What if I suddenly hit someone?</i>	I'm a terrible person I'll be charged for assault.
<b>Negligence and Mistakes</b>	<i>Perhaps I forgot to unlock the door.</i> <i>What if I said something wrong during the meeting at work?</i>	Someone could get in. People will think I'm stupid and clueless.
<b>Contamination</b>	<i>Perhaps my house is built on a toxic landfill.</i> <i>I might be infected with a parasite.</i>	I'll get sick over time and will die of cancer. Something disgusting will be crawling inside of me.
<b>Symmetry, order and arrangement</b>	<i>What if I did not write that email perfectly?</i> <i>Maybe I don't remember everything as it really occurred.</i>	People will think I'm lazy and not doing a good job. I'd be to blame for any mistakes that were made.
